November 14, 2018

Greetings, Hydesville Elementary Families.

As you have likely heard, our after school program will soon open its doors! The Wildcat Den, as it will be called, will offer on-site after school care until 5:30 pm every school day in a safe and engaging environment. Homework support, healthy snack, structured activities, and free time will be part of every day.

This program is not offered free of charge, but we have worked to create a fee structure that is reasonable, flexible, and will help the program be sustainable. Here are our fees:

- \$3.50 per hour for one child
- \$3.25 per hour per child for two children
- \$3.00 per hour per child for three or more children

Although no discounts are offered at this time for students qualifying for free or reduced lunch, we will assist families in applying for assistance through organizations such as Changing Tides. Depending on enrollment may offer additional discounts in the future.

If you plan to have your child attend the after school program please complete the attached registration form. Since this program is billed per hour, drop-ins are welcome as long as a completed registration form is on file.

If you have any questions or thoughts about this program please contact me or our new after school coordinator, Jennifer Lourenzo (lourenzo@hydesvilleschool.org).

Best,
