Subject: Interest Apportionment Rate and Other Considerations

July 1, 2020

Honorable Board Members,

Your fund balances in the County Treasury from October through December 2019 (Fiscal 19/20 2nd Quarter) earned an annualized interest rate of 1.70%. For comparison purposes, the LAIF (Local Agency Investment Fund) rate was 2.29%.

Sorry this report is later than normal, but this office can only apportion interest once the Auditor's office closes the books each quarter; hence the delay.

The 2nd quarter of the fiscal year seems to have been a long time ago considering all that has happened since then ... a mere 6 months back. During that quarter the Feds reduced rates once by 25 basis points (bps) on October 31, 2019 because the economy was beginning to show signs of weakness. See the following link for a historical perspective:
<https://www.federalreserve.gov/monetarypolicy/openmarket.htm>

The Feds then reduced the Fed Funds rate another 50bps on March 3, and 100bps on March 16 as COVID-19 was finally recognized as a severe economic threat. The Federal Government followed up the interest rate reduction by monetizing 3 Trillion dollars of debt through the Federal Reserve to prop up the economy when 'Shelter-in-Place' orders became mandated in most states.

These are difficult times, but we'll get through them; and the county investment pool is solid.

As always, our goals are Safety, Liquidity and Yield. Let us know how we may be of service.

Sincerely,

John Bartholomew

Subject: Interest Apportionment Rate and Other Considerations

September 3, 2020

Honorable Board Members,

Your fund balances in the County Treasury from January through March (Fiscal 19/20 3rd Quarter) earned an annualized interest rate of 1.59%. For comparison purposes, the LAIF (Local Agency Investment Fund) rate was 2.03%.

As a look back the Fed's reduced the Fed Funds rate 50bps on March 3, and 100bps on March 16 as COVID-19 was finally recognized as a severe economic threat. The Federal Government followed up the interest rate reduction by monetizing 3 Trillion dollars of debt through the Federal Reserve to prop up the economy when 'Shelter-in-Place' orders became mandated in most states.

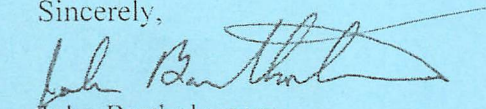

To give perspective on how interest rates effect authorized treasury pool investments, the longest-term maturity we can purchase per state code is 5 years, and as of today the 5 Year Treasury Rate is at 0.26%, compared to 1.35% last year. Incidentally, the long-term average of 5 Year rates is 3.89%.

Reducing interest rates has been the primary action, or tool, the Fed's have used for stimulating the economy during recent recessionary periods. They do this because lower interest rates make it less costly to borrow money, which in turn incentivizes people and industry to borrow more money or restructure existing debt. The Fed Funds rate on August 1, 2019 was 2.25%. Following the above reductions, the current "target rate" as of August 1, 2020 was 0.00 – 0.25%. Now what? These are difficult times.

Sorry this report is later than normal, but this office can only apportion interest once the Auditor's office closes the books each quarter; hence the delay.

As always, our goals are Safety, Liquidity and Yield. Let us know how we may be of service.

Sincerely,

John Bartholomew

Humboldt-Del Norte SELPA Local Plan 2020-21 Board Agenda Item - Summary

Background: The Hydesville Elementary School District is a member of the Humboldt-Del Norte Special Education Local Plan Area (SELPA). The purpose of the SELPA is to ensure that all students with disabilities living within its boundaries will be provided a free appropriate public education as required by the Federal Individuals with Disabilities Education Act (IDEA) and California Education Code. The Local Plan contains a governance and administration section that includes policies and procedures for the provision of special education services by all Local Educational Agencies (LEAs) within the SELPA.

The Humboldt-Del Norte SELPA Local Plan was last fully revised in 2012 and at that time required subsequent approval by all participating LEAs within the SELPA.

Discussion: Under the trailer bill language of the adopted budget in 2018, AB 1808, the Governor required all SELPAs to develop a local plan that conformed to a template to be provided by the California Department of Education (CDE). CDE developed the Section B template for the Local Plan titled Governance and Administration to be used by all SELPAs in the State. Section B, Governance and Administration, requires Humboldt-Del Norte SELPA member LEA board approval.

A local plan committee was formed in the Humboldt-Del Norte SELPA consistent with the required stakeholders per education code. Stakeholders included both general and special education teachers, administrators along with parent representatives of students with disabilities and community members for the Humboldt-Del Norte SELPA's Community Advisory Committee. The language within the current Local Plan was used to satisfy the majority of requirements of the new template. Additional language was developed, reviewed, and recommended by the committee for parts of the new template that were in excess of the current Local Plan. The required sections of the Local Plan using the new templates from CDE (Section B- Governance and Administration,) were approved unanimously by the Humboldt- Del Norte SELPA Superintendents' Policy Council on November 19, 2020. The meeting was held consistent with the Brown Act and Governor Newsom's Executive Order 29-20 to allow the public an opportunity to participate and comment.

Following approval by the Superintendents' Policy Council, the Local Plan Section B Governance and Administration, must be approved by all governing boards of member LEAs and by the Humboldt County Office of Education board and Del Norte County Office of the Education board. These approvals of the Local Plan will be submitted to CDE no later than June 30, 2021. Upon final approval, the Local Plan must be posted on the website of each member LEA, the Humboldt-Del Norte SELPA, and Humboldt County Office of Education.

4. Clearly define the roles of the County Office of Education (COE) as applicable, and/or any other administrative supports necessary to coordinate and implement the local plan:

The Humboldt County Office of Education (HCOE) is designated as the official administrative unit (AU) of the Humboldt- Del Norte SELPA to assure the implementation of the Local Plan and SELPA policies, agreements, and procedures of the SELPA Policy Council in cooperation with participating LEAs. The distribution of federal and state funds is the responsibility of HCOE in accordance with the Humboldt- Del Norte SELPA's Fiscal Allocation Plan and policies, agreements and procedures of the SELPA Policy Council.

The chartering entity will determine the policies and procedures necessary to ensure that the protections of special education law extend to students in the charter school in the same manner as students enrolled in other schools or programs administered by the chartering entity.

The chartering entity will receive all applicable special education funds as specified in the SELPA's approved funding allocations.

The chartering entity and the charter school may enter into business agreements or contracts whereby the charter school agrees to pay for the excess costs associated with providing special education services to identified students, including the administration of special education programs. When the chartering entity is a district, the charter school should be held fiscally responsible for a fair share of any encroachment on district general funds that is created by the provision of special education services throughout the district.

Charter School as an LEA Within the SELPA:

Section B: Governance and Administration

SELPA Humboldt-Del Norte

Fiscal Year 2020-21

A charter school that was chartered by or assigned to a SELPA member may apply to the Policy Council to become an LEA for the provision of special education services. Once granted LEA status, a charter school will participate on an equal basis with other members in the governance of the SELPA. The independent charter shall be assigned to the region in which the school/operation is located within the SELPA. Like other members of the SELPA, the charter school will be represented on the Policy Council by the individual chosen to represent that region.

The applicant charter school will be deemed an LEA if the Policy Council determines that the charter school has met all requirements to be included as a member LEA of the SELPA as specified in this Local Plan.

Participation of Charter Schools in the Local Plan:

A charter school may participate in the SELPA in one of two ways depending upon their governance structure. If the charter school is recognized as another public school within the LEA which serve special education students or in accordance with the charter school's MOU with an existing LEA SELPA member, then the charter will be represented by, and receive funding from, the existing LEA in the same manner as all other schools with the LEA. If the charter school is independent in all matters, including fiscal and governance, then the charter school will be deemed to be a separate LEA within the SELPA and will participate in the same manner as all other LEAs as described in this Local Plan.

A charter school which applies to be an independent LEA within the SELPA must conform to all of the policies and regulations of the Local Plan, and all applicable federal and state laws.

6. Identify and describe the representation and participation of the SELPA community advisory committee (CAC) pursuant to EC Section 56190 in the development of the local plan:

Feedback and involvement from the Community Advisory Committee (CAC) is an important component of the development of the local plan. The CAC acts as an advisory body to the policy and administrative entity in the development, amendment, and review of the Local Plan. The Local Plan for special education shall be updated cooperatively by a committee of representatives of special and general education teachers and administrators selected by the groups they represent and with participation by parent members of the CAC, or parents selected by the CAC.

7. Describe the SELPA's process for regular consultations regarding the plan development with representative of special education and regular education teachers, and administrators selected by the groups they represent and parent members of the CAC:

The SELPA regularly seeks out guidance, input and feedback from individuals from LEAs including representation from General Education, Special Education, Administration as well as parent members of the CAC. These representatives are encouraged to attend meetings and provide input dedicated to the development, revision or updating of the local plan.
