## Student Spotlight - TK!

Wildcat Families, our first-ever self-contained TK class, is going fantastic! These kids may be little, but they are dynamos! We have a class full of energetic, sweet, intelligent kids, and our day combines crafts, phonics, math, and

social-emotional learning, but most importantly, we have a lot of fun! This group of kids is so kind to each other. They are lovely and help each other, share, include everyone, and watch out for each other. We switch themes every two weeks. So far, we have learned about the school, our friends, pumpkins, Halloween, and bats and spiders. I feel fortunate to spend my days with this group of kids!
